

About IPA

ITOCHU Textile Prominent (Asia) Limited (so called as “IPA”) has originally started from garment manufacturing regional office in Hong Kong since January 1983. In the past years, IPA has grown with enlarging business field such as Textile Materials, yarns, fabrics, and apparel brands to respond to the market demands.

Now we have subsidiary offices in 4 different countries (Vietnam, Thailand, Bangladesh, Cambodia) and we act as regional Head Quarter of South East Asia, and keep evolving our business field to strategic investment and IoT/E-commerce area to react to the industry 4.0.

Our Core business

Our keen focus and reliable service to our valued customers ensure that we sustain a leading position in today’s competitive and fast-changing market.

- > Raw Material
- > Fashion Apparel
- > Brand Marketing
- > Strategic Investment

NETWORK is our biggest advantage

Our biggest advantage under current rapid circumstances is “NETWORK”.

Since our original business nature is trading company, we have vast networks from Retailer to Manufacturer, from Textile to other Consumer products, from Online to Offline, from Asia to Global market.

With using our own networks, we always think more, move fast to keep offering NEW VALUE to the market.

Our mission is to Commit to Global Good.
